

**Timeline photo:**

851 x 315 px. No arrows or contact info allowed in this space. No selling this space.

**Profile photo:**

180 x 180 px. Resized to 32x32 for the newsfeed.

**About Us:**

What is your page about? Be sure to include a website link here - they are clickable!

**Pin to top:**

Stick a post to the top of your page - hover over a post or photo. Click the pencil icon and select pin to top.

**Post order:**

Posts are displayed in chronological order - on both sides of your Timeline.

**Change date:**

Hover over a post, click the pencil icon. Change date... Lose likes, comments.

**Reposition:**

Hover over a photo (no cover photo), select the pencil icon. Change photo perspective.

**Highlight:**

Hover over a post, click the "star" icon - stretches a post across the entire Timeline.
